Pastor Pete's Article

January 2026

This is often the time of year when we say that we are going to start fresh. It's a new year, new me! In the past, New Year's Eve was always the last night that I was going to do (blank)... pick your poison. It didn't really matter because I was going to give it my all on New Year's Eve and then, on New Year's Day I was going to emerge from bed a new man, as if the stroke of midnight would release me from my shell and I would become a new person. Done with all of my addictions and bad habits and become healthy. This year, I was going to really do it.

But it never worked. When I would wake up, I was still this broken, sinful human being, I still am. But I have grown and changed over the years, but rarely was it because of a lightning moment. There wasn't a big BOOM and as the smoke cleared a new person was there. It was still me, I was still there, but something was shifting. I have met people that have had those mega-moments in their lives, when they were changed in an instant, but I am not one of them. Perhaps it is my stubbornness, but with me, change happens in small increments. It is more like watching someone carve a block of wood with a chainsaw. It takes time, first the artist makes a couple of bigger cuts to get the general shape. Then he goes in there and makes smaller cuts to begin to bring out some of the details. Finally, he goes in with smaller tools to bring out the finer details. It is a slow and methodical process.

For many of us, that is how God is working in our lives. He sent us his son, Jesus Christ, who chisels out a new life for us. With his love, he releases us from our sinful prison, our blocks of wood. Because of his grace and forgiveness, we are set free from sin and can share that beauty with the rest of the world. No longer are we captive to sin and shame. Through Jesus Christ, we are made new!

That blockhead, that chunk of wood, is a beautiful sculpture that is waiting to be set free. During creation, God created us in his image and that image is beautiful. We are broken and flawed, but still beautiful. You are beautiful! And you are beloved. We just celebrated the birth of Jesus a few days ago. Another name for Jesus is Emmanuel, God with us. In John 1:1, In the beginning there was the Word, the Word was with God and the Word was God. That Word is one word that sends Satan running. We sing that Word when we sing "A Mighty Fortress." And what is that one tiny Word that sends the devil running? What is that Word that was in the beginning during creation? That Word is Jesus Christ. Jesus was there from the start of the world. He has always been there with us and for us.

That one Word is working in, with and thru us. Jesus is helping us to form our world into a better world. That is the core of us, that we are saved from our sin and called to love our neighbors. In this New Year, it is a new me, a new you, a new us and I am excited to see what God will do with us in this New Year.

Happy New Year!

Peace, Pastor Pete

Endowment Committee

English Lutheran Church has an Endowment Fund and a committee that keeps tabs on the fund and makes decisions on any requests to utilize that funding. If your ministry has a funding need, please submit a request to the Endowment Committee. Examples of requests we have provided funding for in the past include: Thanksgiving baskets full of food for community members, purchasing greeting cards for the deaconess ministry to send to members of our church and community, vacation bible school for our children, quilting supplies for our graduate quilt ministry, supplies for Kingdom Kids program for elementary age children in our church and community, serving a meal at Minneapolis based Sharing and Caring Hands, supplies for the Sharing Shed in the back parking lot to support the community, and support for the Heart program.

We meet quarterly to review these requests. Request forms can be found on the forms shelf outside of the office or on our website. Contact the office if you need assistance in getting a form. Contact a member of the Endowment Committee if you have any questions about our ministry or a fund request.

Please submit your request for our February meeting by Wednesday, February 4.

LPBC hosts one winter camp every year if the weather cooperates. The winter camp is happening in the new year, Feb. 6 - 7! This is a weekend-long camp for 6th-12th graders to come to camp and experience what camp is like in the winter. There will be workshops focused on our theme, "Building Community," but there will also be some free time for fun winter games and building community.

To register, parents/guardians will need to log in to the same account they used for summer camp, or create an account if they didn't attend camp last summer. Here is the page to log in or to create an account: <https://lutherpoint.campbrainregistration.com/>

They also need chaperones for this event. They need one (1) chaperone for every 9 youth attending! If you or someone you know is willing to be a chaperone, please fill out this Google Form: <https://forms.gle/JrpBt6rLXF89snCW8>

Heart-Touching One Life at a Time

Mission Statement: To reach children and families in tough financial situations. We can assist with basic needs by providing clothing, shoes, coats, toys, or other essential items to help alleviate the challenges faced in these difficult situations.

Heart is here to lend a helping hand to families who need support during tough times. We have access to furniture, school supplies, laundry soap, coats, bikes, toys, and an array of other items.

Recipients will be vetted to confirm the needs. There are limits to what we can offer. We can help families at Christmas with gifts for children, and we work with the Gift Box Program as well as Basics for Kids with donations of coats and boots.

We are here to help change lives and improve the quality of life for those who need a helping hand. We are not allowed to help with things like rent, utility bills, etc. If you are in need or know someone else in need, please reach out to Cindy at 715-307-9615 or Donna at 715-307-2213.
